

## TURF FERTILIZATION & WEED CONTROL TECHNICIAN

Custom Personalized Lawn Care is a family-owned Turf Fertilization & Weed Control company that services both residential and commercial accounts within the Lansing, Saginaw and Flint areas. Since 1988, we grow our accounts every year and understand that our Certified Technicians are the reason we continue to thrive and lead the Lawn Care Industry. At this time, we're ready to add more Certified Technicians within our Flint, Lansing and Saginaw locations.

### Here's What We're Looking For:

- Previous Lawn Technician Experience Preferred, but not required
- Ability to lift 50 lbs. – *Required*
- Good Driving Record & Valid State of Michigan Driver's License – *Required*
- Professional Demeanor & Appearance
- Understands the value of providing outstanding Customer Service

While we prefer experienced 3A Certified Technicians, we are willing to train and schedule testing for the right candidates. At Custom Personalized Lawn Care, we provide each of our Technicians with state-of-the-art technology devices, updated trucks and ride-on spreaders so that you're able to perform comfortably and provide the results our customers anticipate.

For our ideal candidate, we will provide an hourly wage of \$12+ D.O.E. along with several incentives, commission and bonus opportunities individually and as a team, within a weekly and monthly basis.

On top of our generous commission and bonus structure, we provide Holiday & Sick Pay, 401K with Company Match Contributions and opportunities to advance within Custom Personalized Lawn Care.
